The Unity Tree

*Our fertile soil which sets us free
Was planted with the seed of knowledge.
The seed sprouted, growing strong with years,
A solid trunk growing thicker
And branching off, bearing rich fruit as spring
appears.
Our minds are the fruits which this tree bears.
We are artists and scientists, our minds growing
quicker,
As we prepare for the world to grow clear.
But as we prepare for the world's great college,
We must remember our own great tree.*

-Grant Anderson, 2010

Our classmate who will never be forgotten.

In memory of Kyle Johnson, the Class of 2010 would like to dedicate this yearbook to Kyle and the Johnson family.

"I remember when we used to greet each other with our chest bumps in restaurants and grocery stores rather than a simple "Hi". Also, the time when we went mini golfing for your birthday and I broke the flower pot in your garage."

-Tim Laramée

"Back then, days were simple at Paton School. Kyle and I had some unforgettable memories. We shared countless recesses and played games all the time. Kyle was always a generous person. Kyle would have graduated with our class and it is important that he is remembered."

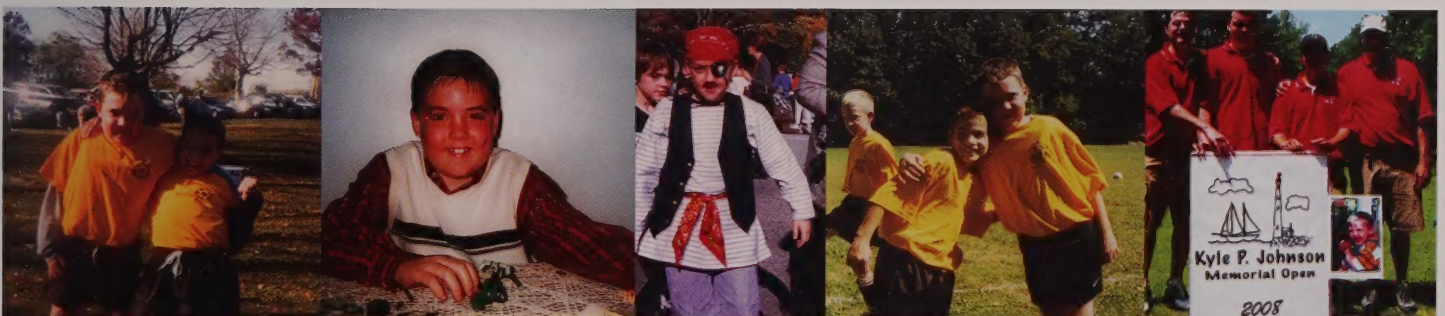

-Tim Kelleher

"I remember being in Kyle's third grade class, having all the good times we shared. He was always one to make you laugh when you were upset. He was always smiling at school and will never be forgotten."

-Dan Leatham

"I remember when we used to play basketball, baseball, and soccer together and Kyle always was a team player. He would have been a star athlete here at Shrewsbury High School. I would have used his great sense of humor and unbelievable ability to keep me in a good mood to help me through the past few years. Kyle was always a joyful person and somehow found a way to brighten the day of everyone around him. He will never be forgotten, he will always be my good friend."

National Honors Society Induction

Induction Ceremony
Colossal News

Students at high schools across the country try their best each day, do their homework every night, and study for exams and tests. However, it seems as though good grades are their only reward for such hard work. Now, they are rewarded for being a member of the National Honors Society (NHS).

On May 6th, Sherrubury High School's new members of the NHS were inducted into the society. The ceremony began at 7:00 PM and the induction, as well as the induction of new members, was held at the Sherrubury High School. The students were inducted into the NHS by the NHS Inductees, who were present, while other members of the NHS were absent. The students stayed at the Sherrubury High School for the night of the induction.

Letter from the Principal

June 2010

Dear Members of the Class of 2010,

It with great honor and pride that I write this message to you, the graduates of the Class of 2010. You may recall that we entered Shrewsbury High School together – you as wide-eyed freshmen and me as the school's new principal. Four years have quickly passed, as I told you they would, and you have matured into young men and women poised to actively contribute to the world we all share. Like the thousands of graduates who have come before you, the Shrewsbury High School community has high expectations for you.

As citizens of the world, we are facing unprecedented challenges and your generation is, I believe, poised to face these challenges and make a difference. There is no shortage in this world of fear, greed, unkindness and negativity. Consider every decision you make and every one of your actions to be an opportunity to counter these things with confidence, charity, and humanity. Use the talents that you have been given to improve the lives of others. Volunteer to serve your community – find ways to contribute. Whether your personal contributions impact the lives of millions or just a single person, does not matter. What matters is that you live your lives with a true understanding of the importance of giving back; that you have the capacity to see beyond your personal wants and are compassionate toward those in need.

I hope you enjoy this yearbook and refer to it often to reminisce about your time at Shrewsbury High School. As your principal, I am proud of your accomplishments, but most of all, I am proud of the growth you have exhibited over the past four years. I wish you all peace and happiness and nothing but success in your future endeavors. Congratulations!

Respectfully,

Spirit

Spirit is not a facade worn only once the win is within sight.

Here, it is,
starting from nothing and
persevering until sweet victory.

It is putting our hearts and souls into the activities we love.

Having enthusiasm for life.

Saying "one more time."

It is
football, math, plays,
speech and debate, track,
musicals and dance.

It is laughter, encouragement and cheer.

Spirit is

Shrewsbury High School.

There is no straight line to success. The road to the top is a series of switch-backs, zigs and zags. Often times the road is racked with boulders you must move out of the way - as well as pebbles that get in your shoes. Sometimes there will be blood, bruising, breaks and blisters. Yet to the person who is fully on purpose, all the pain is pleasurable. Nothing is for naught; everything is for something. All encounters and experiences are leading the person with a goal to the top. - *Matthew Furey*

The season started off well against Auburn. Late in the game we faced a deficit of 6 to nothing. We then drove all the way downfield to score a touchdown and got the two point conversion with roughly a minute left in the game. That was a great win to start off the season. The St. John's game was a great game since we dominated most of the game and beat our rivals convincingly. My greatest memory from the season was the Wachusett game. We were down late in the game with less then two minutes remaining; we then drove down the field to score on a fade pass with six seconds remaining to win it. Our season ended 5-5-1.

FOOTBALL

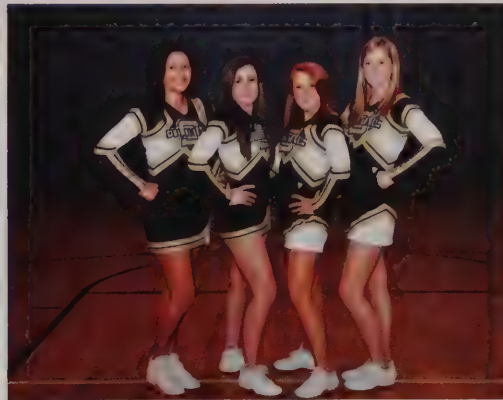

The cheerleading team started off the competition season strong by placing first in our first invitational competition and receiving second place in our second. At leagues we came in a close second place to one of our biggest competitors but that didn't stop us since we scored high enough to move on to regionals. The regional competition was at Shrewsbury High School where we competed against many strong teams. With many Shrewsbury fans there to support us, we were able to beat the League Champions from the week before and place second. With our high score and second place spot we qualified for states. At states we placed sixth but with our score, we received a national bid. We look forward to attending the National Competition in Myrtle Beach in March.

The 2009-2010 Boys Soccer season this year was a challenge having graduating nearly our whole starting line up. Even though we did not end up with a picture perfect season we gave it everything we had out on the field. I am glad to have had this high school experience, with the challenges we had to face and over come to be on a team that was extremely close. It is something I will never forget. Having awesome coaches and managers and my good friend Jennifer Altomare making me a poster was something that made this season special to me. On behalf of my team I would like to say thank you to our coaches, managers, and fans for supporting us throughout our season

The Cross Country team's record this year was 7-2; they were 3 points and only 13 seconds from an undefeated season. They upended Algonquin in the district meet beating them by 4 points, and qualified for the state meet for the first time in 3 years. The team truly utilized competitiveness to work hard, sacrifice, and to achieve individual and team goals. - Alyssa Carelli

The Boys Cross Country team had another fine season, capturing their 5th Mid-Wach A League Championship from the years 2005-2009. With an unprecedented 6 league all-stars, the team was ready to make noise in the districts and states. In districts, the boys finished a very respectable 3rd, which gave them a berth in the state meet at Northfield Mountain. At states, the boys ended their season with an 11th place finish - three places higher than last year (14th in the state). After a solid season, the team looks to keep building the "dynasty" next year. - *Nirmal Devarajan*

This season the volleyball team finished 16-5, losing only one league game. We reached our goal of winning league championships for the first time in school history with much help from our new coach, Coach Sande, and of course Jorge. Eight seniors were on the team this year, but the upcoming juniors and seniors will undoubtedly step up and have a promising season. Coached by Mr. Marchand, JV had a nearly perfect season finishing 19-1. Most notably, we acted as a team on and off the court. Among our most memorable moments was UNH camp with International Ken, the numerous Boynton trips for the Celiacs, massage trains, Ride that Pony, anger mountain, and our most dedicated fans (especially Logan, Matt, and Ryan). "Tradition begins now."

"The reason most people never reach their goals is that they don't define them, or ever seriously consider them as believable or achievable. Winners can tell you where they are going, what they plan to do along the way, and who will be sharing the adventure with them." --- Denis Watley

This quote represents our 2009 SHS Golf Team. Before the season started, we knew this was going to be a special season, our player depth was remarkable, players 1-10 were all solid, we had no weak points and we were ready to get the show on the road. At the beginning of the season we set two main goals, to win the state championship (never happened in Shrewsbury High School golf history) and to be a family. Both goals were achieved with great confidence and determination. We were such a close knit group of kids that we always worked with each other when the times were good and when the times were bad, we backed each other up and were always there for one another. This all led to the first Division 1 State Championship won by a Shrewsbury High School golf team. We are all proud of our achievements as well as the support by our community, school as well as our great coaches, Coach O'Connell and Coach Murray. *-Nicholas Erlichman*

GOLF

The 2009 season for the Lady Colonials was plagued by injuries. Caralyn Logan, Sara Pedersen, and Maddy McKinley were sidelined with torn ACLs. Maggie Kerr and Kath Beall were also a rare sight to be seen on the field as they both battled serious ankle injuries. Despite the loss of such talented players, coach Chip Delprete alongside captains Tory Benoit, Kath Beall, and Michelle Laramée led the team to a winning season. They had big wins over Shepherd Hill, Marlboro, and SPM. Jokesters Rachel Campos, Bri Brosnan, Sarah Campos, Chelsea Gallant, and Jess Morana made practices especially fun to attend after a long day in school. The Lady Colonials soccer team also hosted their first ever Colonials for a Cure pink game! They suffered a devastating loss against Marlboro during the districts but made priceless memories and friendships along the way. - *Tory Benoit*

The Shrewsbury Men's Crew team has participated in numerous races throughout New England this fall. These include the Tail of the Fish Regatta, the New Hampshire Championships, The Lowell Textile Regatta, and the Massachusetts Public State Championships. They finished 3rd in both the New Hampshire and Mass. Public Championships. This was one of their most striking accomplishments considering the fact that they lost 7 seniors from last year. Due to the fact that only one senior and a few juniors remained on the team, many underclassmen had to step up. The best memory of the season was when the varsity boat placed 3rd at Mass Publics. This matched the outcome from last year. The Men's Crew team is looking forward on an even stronger fall season next year because only one senior will be lost. - Chiyu Ren

The SHS girls rowing team is one of the few public schools in MA that have the opportunity to participate in the sport of crew. The girls team finished 3rd in Mass Public which is a public school race that this year, fortunately, the 1st varsity girls had the opportunity to participate in at the Head of the Charles. Also, the 1st varsity 4 (consisting of all the seniors) came in 4th out of 14 boats in Mass Publics. There are 5 seniors on the team that will be graduating this year. But, when we work our hardest as a cohesive team every member, be it an upperclassman or an underclassman, is pulling just as hard as the next. Crew is unlike any other sport; we spend 30 hours a week together, 6 months per year. Motivation, discipline, and dependability are all things we knew nothing about 4 years ago. Because of this team and sport, our high school experience has been forever changed. - Sarah Hopkins

"Leadership is getting players to believe in you. If you tell a teammate you're ready to play as tough as you're able to, you'd better go out there and do it. Players will see right through a phony. And they can tell when you're not giving it all you've got. Leadership is diving for a loose ball, getting the crowd involved, and getting other players involved. It's being able to take it as well as dish it out. That's the only way you're going to get respect from the players." -Larry Bird

BASKETBALL

"Fear is not that we are inadequate. Our deepest fear is that we are powerful beyond measure. It is our light, not our darkness, that most frightens us. Your playing small does not serve the world. There is nothing enlightened about shrinking so that other people won't feel insecure around you. We are all meant to shine as children do. It's not just in some of us; it is in everyone. And as we let our own lights shine, we unconsciously give other people permission to do the same. As we are liberated from our own fear, our presence automatically liberates others. " - Coach Carter

BASKETBALL

This season, the girls varsity basketball team exceeded expectations that were made for them. Led by seniors Alli Wood, Tory Benoit, and Jess Masterson, the team had a great season and went 16-6. They had a lot of great wins, one of them being a big win against Shepard Hill who had beaten Shrewsbury last year in the district finals. - Alli Wood

SKING

The cheerleading team cheered for Varsity football and Varsity basketball this year, along with attending their own personal competitions. In the fall the girls made it to regionals and states, earning their nationals bid. In the winter season the girls placed second in the league, second at regionals, and third in the state out of over 60 central mass division one teams. In March the cheerleaders attended the Cheer Limited National Championships in Myrtle Beach, S.C. After falling behind by three points in the first day, the girls arrived victorious at the end of the second day beating out the other teams by 10 points. The accomplishments the cheerleaders have made through out the season are incredible. These girls are together longer than any other team this season (8 months) and have an incredible bond. Congratulations on a successful season :) - Christina Liberto

ICE HOCKEY

nineteen-two-one

The 2009-2010 Shrewsbury ice hockey season proved to be a successful one, while not quite as satisfying as most would have liked. Despite that, there were many aspects that made this year's team an achievement in itself. With the loss of 15 seniors from last year's class, this year was meant to be a rebuilding year. We had an excellent group of underclassmen that stepped up and consistently displayed solid leadership throughout the season. I am proud to be associated with such a tightly knit group of hockey players, and I am also proud to see the amount of improvement each individual made from beginning to end. Thank you to Head Coach Mr. Binkoski for believing in us from day 1, and I would also like to send thanks to assistant Coaches Jeff Lewis, Greg Bennet, and Todd Cooksey for pushing us to play our hardest every time we stepped on the ice. Everyone on the team has much to be proud of. *-Clark Dumart*

The Colonials started out with the high hopes of repeating as undefeated league and district champs. However, the team had a slow start and went 1-2 after their first three meets with losses against Algonquin and St. John's. The team peaked towards the end of the season by beating Doherty, North Middlesex, Fitchburg, Leominster and Milford by significant margins, and with only one more loss to Wachusett. During the regular season over 80 athletes participated in track and field events. The team continued their late-season success into the post season. The Colonials finished second at the league meet, finishing third overall in the Mid-Wach A League by a slim margin of two points. Twelve Shrewsbury athletes were awarded League all-star status. A week later, the team finished second at the District E Championship to out of league rival Westborough by only 9 points. Many athletes qualified for the Division 1 state meet. The team had a strong showing and two-miler John Murray won his event. Five of the team's athletes went on from there to qualify for the All-State Championship Meet. John Murray competed in the two-mile and 4x800m relay with teammates John Thompson, Kevin Thompson and Jared Lowrie. John Murray came in third in the two mile qualifying for the New England champion where he came in second in school-record time. School records were broken in the 2-mile by John Murray, the 600m by John Thompson and the 4x800m relay. - John and Kevin Thompson

"The swim team made a huge improvement this year with a record of 4-7 under the leadership of Sara Rodriguez, Vinny Sassone, Katie Lizotte, and Chiyu Ren. The new coaches, Courtney Mulcahy and Matt Wheeler, played a significant role in this improvement. Marie- Laure Miro, Kyndal Heller, Sara Rodriguez, Hannah Cohen, and the diver Katherine Cody made it to the State Championships. The continuous positive attitude of the Swim Team led the team to be rewarded with the Sportsmanship Award. Variety Show

Shrewsbury High School's Variety show is an event to display the cornucopia of talent that our school has to offer. There is no winner at the Variety Show because it is about all of the students being equal and coming together to show how talented Shrewsbury High School students really are. The Variety Show occurs in the beginning of the year and consists of many different talents such as singing, dancing, comedic acts, and cultural enlightenment all performed by high school students. There is a lot of work that goes into putting on this show, and it has been an annual and exciting event for many years now.

Shrewsbury is full of talented people and we see it in Rockstock. Rockstock is one of the many ways for students to showcase their musical talent and passion here at Shrewsbury. From classic rock and the electric guitar to the soft melody from an acoustic guitar, we hear a variety of songs from a variety of students. The music we hear from our own classmates impresses us all.

Coffeehouse

The NHS Coffee House is a student run event, by the National Honor Society, where kids are able to showcase their talents in a laid back, fun environment. This event, for SHS students only, is a fun way for students to express their musical, poetic, and unique talents. For example, bands play covers of other songs acoustically, their original pieces, and students even showcase their own unique talents such as beat boxing. This event is a great way to hang out with friends, listen to music, and enjoy great food and refreshments with all proceeds benefitting a local charity.

Sports Day

Every year in October Shrewsbury High School holds Spirit Week. During this week, there are four days out of the five that have special themes. One of these themes is Sports Jersey Day. Students are urged to show their pride in their favorite sports teams. From the Red Sox to the Dolphins, on this day you see shirts from every sport. It really helps to bring our school together in a fun way, while learning who roots for what team.

Blue and Gold Day

Blue and Gold Day is an annual occurrence during Spirit Week. The day before Field Day students dress up in blue and gold from head to toe. This day was formed to help bring our school together as a whole. Wearing our school colors, blue and gold, gives the students a chance to show their pride for Shrewsbury High School. Trips to Iparty are made weeks in advance to make sure that students will have all the necessities they will need for this day. Aside from Field day, Blue and Gold day is the favorite of Spirit Week.

Homecoming

Homecoming is an event that occurs in the beginning of the year. It is a time where our school can come together as one to cheer on our football team at the first home game of the season. On the following Saturday, Student Council holds our annual Homecoming dance. The theme from the past two years has been "White Shirt, Black Light!" and it has been extremely successful. Students are supposed to wear a white shirt so that they can be picked up under the black light. This helps to boost school unity and spirit in a fun and enjoyable way.

Hypnotist Show

The Hypnotist Show has been the Class of 2011's fundraiser since they were freshman at the high school. It has been extremely successful for the past three years and will hopefully continue after they graduate. At the hypnotist show, students have the ability to be selected from the audience and be hypnotized by Dan Candell, who is a Shrewsbury High School Alumni. If you don't want to be a part of the show, then you can sit in the audience and watch as your friends are made to do ridiculous acts, ranging from playing air guitar to giving birth on stage. It's a great experience and a hilarious show that is well worth the money to see.

Science Fair

The Science Fair is an experience that lasts nothing short of a lifetime. Each of the 47 students, over the course of the first semester, produces a project on a science related topic of their choice. The ordeal, can be in a few words: Taxing, Challenging, Immersing, and all around worth it. Most often a student will spend numerous sleepless nights perfecting, generating, and creating a project that leaves him speechless. The first time I ever realized that this was all my work, I suddenly lost my train of thought while talking to a judge, looked at him for a minute, and said "This is my work, Oh My God! I really did it!" Under the experienced, guiding hand of Dr. Lowery, Mr. Geyer, Mr. Collins, and Ms. Mongiat, these 40 some odd students have now tasted a bit of the real world, meeting with scientists, getting advice to further advance themselves and their work. Twelve students made it to the Regional Fair at WPI on March 12, 2010, and of those ten proceeded to the Massachusetts State Science and Engineering Fair at MIT on April 29- May 1.

TEAM 467

Robotics

This year, Shrewsbury Robotics Team 467, The Duct Tape Bandits, competed in two FIRST Robotics Competition regionals. They first competed at the Chesapeake Regional in Baltimore, Maryland. In Baltimore, The Duct Tape Bandits made it to the Quarter Finals as the captain of the 8th place alliance. They achieved a match record of nine wins, one loss, and one tie (the best that the team has ever done during exhibition matches at a regional). In Boston, they also made it as far as the Quarter Finals. Also at the Boston Regional, they won the Judges Award for their work as a team and contribution to our community. Overall, Team 467 did very well at both regionals and represented Shrewsbury High School proudly.

Mentor Volunteer Program

The purpose of the Mentor Volunteer Program is to ease the transition for incoming 9th grade students from middle school to high school. Freshman year can be difficult when trying to learn the rotating schedule, how to navigate the halls, and manage the intensified schoolwork that comes along with high school. This does not include a student's non-academic life: sports, clubs, activities and friends. The mentor program will connect freshmen students to upperclassmen who are leaders in our school community setting a positive tone for the school. A mentor's leadership and support will create a capable, caring and active school community. Our expectation is not that mentors will become friends with freshmen, but that they will include and welcome them as part of a great school community.

Legacy

Actively seeking legacy nearly always results in failure or disappointment. But the ones that show up all on their own are the ones that truly count.

For some, legacy means sportsmanship, academic success or musical achievement.

For others leaving a legacy accounts for the less tangible.

A legacy of friendship, bravery, or commitment.

But our legacy reaches far beyond Superbowl wins Speech and Debate championships, and even the walls of this high school. Our legacy echoes the kind of people we are and what we view as important and worthwhile.

Who we are tells our story.

We are fearless.

We believe freely with our hearts.

We are united.

A Special Yearbook Message

The Yearbook Committee wishes the class of 2010 all the very best as they cross the stage, accept their diplomas and prepare to take their first steps in the world as high school graduates. Our gift to you is this yearbook, a small collection of shared moments, captured as comments and images, which we hope will bring you numerous joyful remembrances over the years. Our pleasure in the creation of this book is multiplied a thousand fold, knowing that you will now have a solid record, of what many will say, were some of the best days of their lives.

Always Be A Student
Keep on learning, Elizabeth,
Though your graduation's done;
Your whole life's an education
That has only just begun.

Your diploma is the first big step,
For knowledge is the special key
To winning what you want in life
And being who you want to be.

If you'll always be a student,
You'll find the secrets to success
And travel on the golden road
To peace and happiness.

To Our Wonderful Son-

We can't believe your high school career has come to an end.

It seems like yesterday you were an eager freshman determined to get all A's! Over time, you changed your goals but still had tremendous academic success. You realized that you can have many varied interests, all which contribute to your growth and maturity as a person. No matter how challenging the situation is, you approach everything with such passion! We admire and respect that. We know you will go out into the world with that passion. We know you will make your own unique and positive contribution wherever life may take you. No matter what path you choose, we know you will be successful. You have made us so proud! You have grown into a wonderful young man and we love you very much!

Ant-

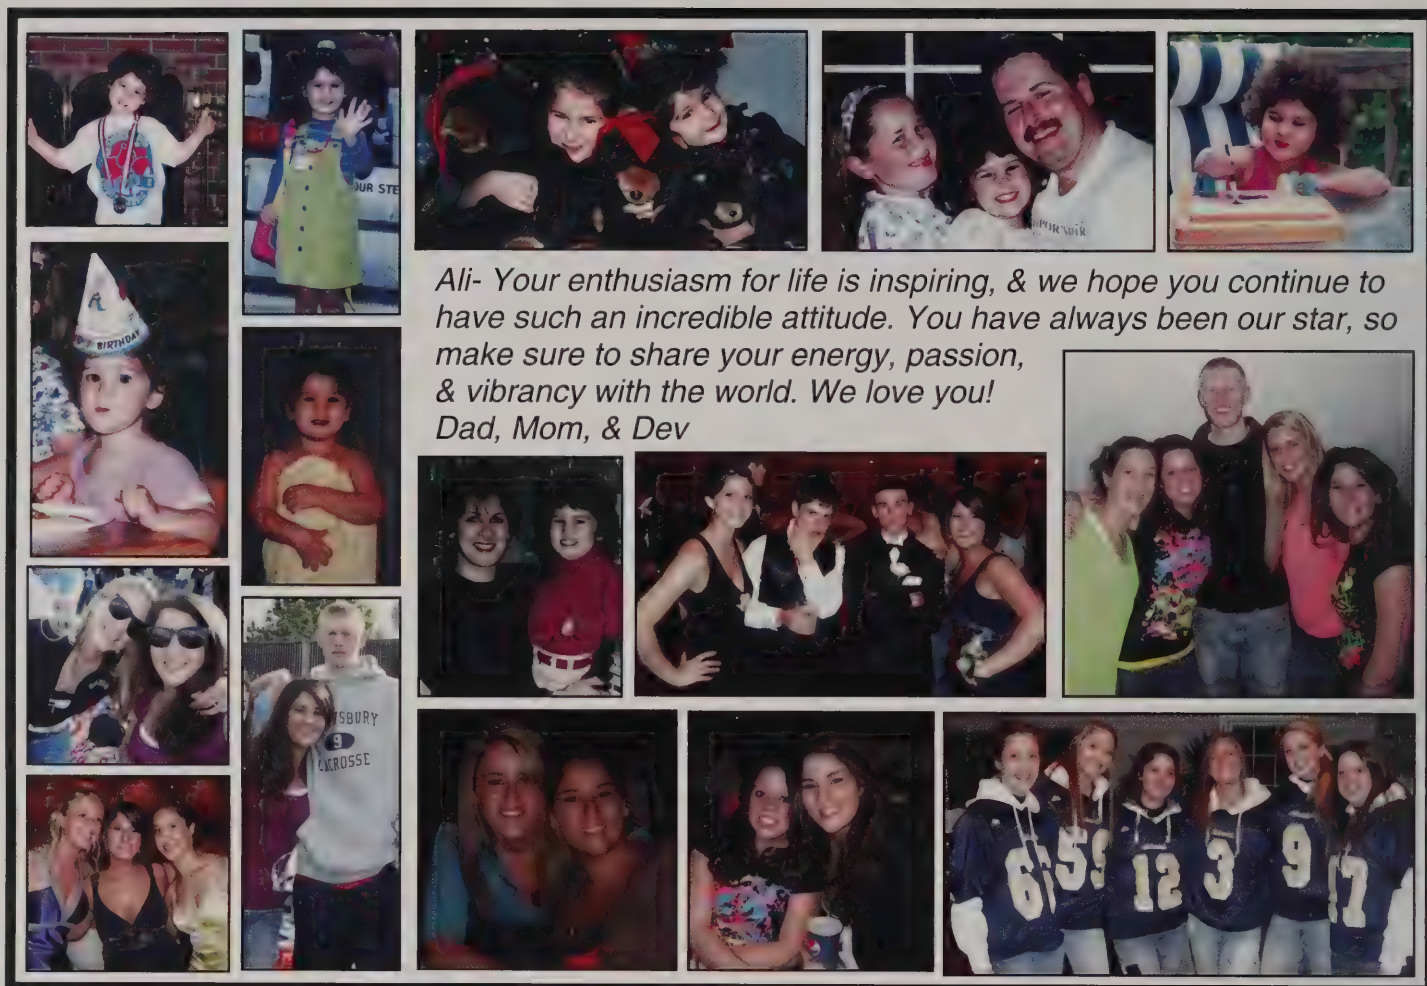

Growing up, I'm sure no one would expect you to be the person you are today. You are not that quiet little boy who was always plotting something. You looked so cute and innocent that you usually got away with it. We all knew it was only an act. Now you are a loving, caring, handsome, intelligent young man. You are so passionate, often to the point of becoming obsessed with things, which we have gotten use to. To us, you are not only a brother but a best friend. Someone we could talk to when we needed advice or just someone to listen. You helped us with homework and writing assignments even if it meant putting your own work aside. The late night conversations in one of our rooms, family vacations, the four of us wrestling in Lindsi or Chelsi's room. These are great memories of our childhood. Now you are going off to college. As your younger sister, I will miss you more than you think when you leave. We have grown so close over these past few years and I already know I am going to be lost without you. We hope you have a great college experience and continue to live life to the fullest. You are going to be so successful, and we hope the best for you. We will always be here for support, advice, or just to vent to. We love you so much Anthony!

SANDY CITIES

*When a child is at the seashore
— he builds cities in the sand—
and around them he arranges
forts — so all the buildings
stand — and as waves destroy
his structures — he repeats his
task once more — with the
hope to keep the ocean—from
the city's sandy door — this
goes on for many hours—but
its always just the same — even
though the fort is sturdy—
waves of water he can't tame—
- I admire and I study — kids
who try so hard to do — things
like building sandy cities —
with the will to follow
through for they are the future
leaders — who know not when
they're beat — and some day
they'll build our cities — out of
steel and strong concrete.*

Dear Matt,
We are so proud of you. You have certainly matured and changed over this past year. No task or challenge is too much for you. You leave for college with great anticipation, which is the way it should be. We know that you will be a success in whatever future endeavor you choose to pursue.
Love, Grandma & Grandpa

Dear Matt,

We are so proud of you as we have watched you grow into a bright, funny, and hard working young man. We've seen you demonstrate diligence, resiliency, and passion towards all of your encounters. You have gained so much strength and character over the years in so many ways. Your sense of humor keeps us all laughing and smiling and is a quality everyone should have. We wish you nothing but the best as you head to college and beyond. You have surpassed all of our hopes and expectations and know you have a bright future ahead of you. Enjoy this significant accomplishment and remember that this is just one of many that lie ahead. Keep working hard and enjoy life and take it one day at a time. From then,

To now..

We've always been proud!

As you graduate, the world sees a young woman with all of her charm, her smile, and beauty. But behind that woman, we will always see.. one of the greatest joys we have ever known, and one of God's most beautiful miracles in life.

It doesn't seem so long ago, but more like yesterday that you were just a little girl. From "me wake up" and showing up at 32 Lorna Drive in jeans and sneakers, to leotards and pointe shoes, and you driving there on your own, we have loved you and been proud of you every step of the way. It is truly amazing to see the young woman you have become. Enjoy the memories of all the wonderful friendships, places visited, and your many accomplishments. Thank you for what you have brought to our lives. We know you will continue to make the world a better place.

Love, Mom, Dad, and Cailey

Thanks Marissa,

Dear Michael, From your first day in preschool you showed such enthusiasm and excitement for each new adventure life had to offer. Each year held its own unique challenges which you persevered through with such strength and gusto. It has been an amazing journey watching you grow from a curious little boy into an outstanding young man with that wonderful sense of humor you seemed to be born with. We are so proud to call you our son and wish nothing but happiness and success in any new adventure you pursue and whatever curve balls life throws your way.

promise not to forget a few important things ...

Sooner or later we all discover that the important moments in life are not the advertised ones, not the birthdays, the graduations, the weddings, not the great goals achieved.

The real milestones are less conspicuous. They come to the door of memory unannounced, stray dogs that amble in, sniff around a bit and simply never leave.

*I hope the days come easy and the moments pass slow...
And each road leads you where you want to go...
And if you're faced with the choice and you have to choose...
I hope you choose the one that means the most to you...*

Roots and Wings

Roots:

Your strong, large and loving family all wish you happiness, success and joy in everything you do in your life. We love you for your energy and drive, and we are always amazed at your accomplishments. Whenever someone tells you that you "can't do something", you inevitably decide that you CAN, and WILL. Your life is about doing things in your own way. We are proud of you, beyond words, and want you to know that we are inspired by your zest for life and ability to be true to your values. Your perseverance and talent will take you wherever you choose to go.

Wing:

Spread those wings, big and strong. Let the wind carry you and your instinct rule you. Know that you are exactly where you are meant to be. May you never forget the infinite possibilities that are born of faith. May you use those gifts that you have received, and pass on the love that you have been given. Let this presence settle into your bones, and allow your soul the freedom to sing, dance, praise and love. It is there for you-always.

We are so proud of all you have achieved at Shrewsbury High. You have always taken your own path through life, done it your way, and put your own individual mark on the world. From soccer, Calliope, Honors Women's Choir, pole vaulting, the Crucible, and many hours of work at D'Angelo's-your divergent interests and talents have made you the beautiful, witty, and oh so special woman you are today. Hit the ground running, keep true to yourself, and your future is boundless!

Bobby,
I can't believe it seems like yesterday I brought you home and now you're graduating. I couldn't be prouder of the man you are becoming. We have every faith that you will succeed in anything you put your mind to. Shoot for the stars. Be happy. I'll miss making you your egg sandwich every morning and we'll miss your big smile. Congrats!

Love, Mom and Em

Congrats Bob! Finally finished High School! Lucky. I really wish that didn't mean you would be moving out though. Nothing will be the same without you. The basement is going to be boring, I'm going to be alone on our side of the table when the family goes out to dinner, and playing mario kart against the computer is going to be dumb. Although it definitely will be nice to have the car to myself, I am still going to miss our rides to work and school everyday. I hope you absolutely love college. Expect to see me there often. Good luck! Good luck! I know you will be great, Love and miss you already!!!

Love, Barukula

To Ryan,

"To the victor go the spoils." Congratulations! You should be very proud. I know we certainly are. You have been so lucky to grow up in a town like Shrewsbury. It's a community rich in history, beauty, and tolerance. Your family: grandparents, uncles, aunts, cousins, and friends are wonderfully different, love you unconditionally, giving you roots that are deep and strong. As far as studies are concerned, you have always made learning look so darn easy, but Mom and I know how hard you have worked. Then there are all the other things that you have tried and done. Some briefly like the cello and the saxophone. Some with passion like the plays and the musicals: Bye Bye Birdie, Boy Meets Girl, The Crucible, Good News, Godspell, The Fantasticks, Grease, Once on This Island, Seussical, and Anything Goes. And one simply for the love of it, singing. It is an amazing list of accomplishments. We could not be prouder. Keep flying high and remember "this above all: to thine own self be true."

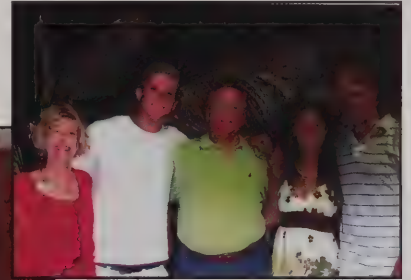

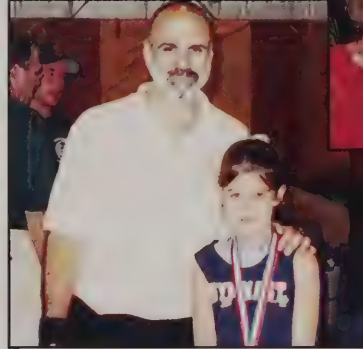

Love always,

Mom, Dad and Luke

 What do I see when I look at you....

I see a gorgeous butterfly emerging from her cocoon,
 Someone who is growing and changing,
 Becoming more beautiful each and every day...

I see a young women who is ready to
 Take on the world and whatever it throws her way...

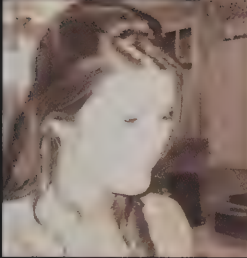

Where there once was a child,
 There is now an adult,
 Someone who stands up for herself
 And for those she loves.
 Someone who offers a helpful hand,
 A shoulder to cry on and
 A kind word
 When she knows someone is down.

That is what I see when I look at you...

*You were six months old and full of fun.
With a blink of my eye, you were suddenly one.
There were so many things we were going to do.
But I turned my head and you turned two.
At two you were very dependent on me,
But independence took over when you turned three.
Your third birthday, another year I tried to ignore,
But when I lit the candles, there weren't three but four.
Four was the year that you really strived.
Why, look at you now, you're already five.
Now you are ready for books and for rules.
This is the year that you go to school.
The big day came, you were anxious to go.
We walked to the bus, going oh, so slow.
As you climbed aboard and waved goodbye,
I felt a lump in my throat and tears stung my eyes.
Time goes so fast, it's hard to believe
That just yesterday you were home here with me.
And tomorrow when the bus brings you home
And you jump to the ground,
You'll be wearing your cap and graduation gown.
So I'm holding to these moments as hard as I can,
Because the next time I look, I'll be seeing a grown man.....*

*Dear Vinny....May you always go thru life with that same bright smile, positive attitude
and enthusiasm that has brought you this far. Always dare to dream and try new
things, but above everything else always find your happiness!!!
We are so proud of you Gugatz!!!*
